#### NEWS CLIPS

**Wall Street Journal - EPA Said to Seek Softer Review of Dump | Agency Might Be Concerned About Cost Of Moving Nuclear Waste, Some Say** - 3/9/14 - An EPA review board was pressured by officials at the agency to soften its challenges to an EPA plan for dealing with a highly contaminated radioactive waste site in this St. Louis suburb <http://online.wsj.com/news/articles/http://online.wsj.com/news/articles/SB10001424052702304732804579421231225277814?mg=reno64-wsj&url=http%3A%2F%2Fonline.wsj.com%2Farticle%2FSB10001424052702304732804579421231225277814.html>

**Greenwire - EPA pressured review board to tone down plan for Mo. radioactive dump** - 3/10/14 - A U.S. EPA review board was pressured by the agency to tone down a recommendation for dealing with a contaminated radioactive waste site in Bridgeton, Mo., that has been a source of controversy over its proximity to the populated St. Louis area. <http://www.eenews.net/greenwire/stories/1059995846/>

**KSDK Ch. 5 St. Louis - EPA accused of downplaying West Lake Landfill waste (+video)** - 3/11/14 - A former Environmental Protection Agency insider says EPA officials interfered with decisions about what to do with the radioactive waste at the West Lake Landfill in Bridgeton. <http://www.ksdk.com/story/news/local/2014/03/10/west-lake-landfill-waste-epa/6271603/>

**KTRS Radio St. Louis - Residents React to Alleged EPA Cover up (audio)** - 3/12/14 - Harvey Ferdman, policy advisor for Missouri Rep. Bill Otto, and Dawn Champman, concerned citizen talk about the Wall Street Journal allegations regarding Westlake Landfill. [https://www.youtube.com/watch?v=n2mrt8OmvWE&list=UU2PI\\_U7fBVPILS4DVKafBcw](https://www.youtube.com/watch?v=n2mrt8OmvWE&list=UU2PI_U7fBVPILS4DVKafBcw)

**ABC News - Dispute in Missouri Over Cancer Cluster** - 3/12/14 - Coldwater Creek in Missouri is not officially the home of a cancer cluster, but Jennifer Smith begs to differ. Although the Missouri health department acknowledges that the radioactive waste is real, and the military acknowledges that an environmental clean-up is still under way, officials still say there's not enough proof to say it's caused a rise in cancer cases. <http://abcnews.go.com/Health/dispute-missouri-cancer-cluster/story?id=22452352>

**KMOX Radio - Wagner Weighs In On Bridgeton Landfill** - 3/14/14 - On Thursday, KMOX talked

to Missouri Senator Claire McCaskill about efforts to give the Army Corps of Engineers more control of the Westlake Landfill in Bridgeton and now we've talked to Congresswoman Ann Wagner who says she's just waiting for the Environmental Protection Agency. <http://stlouis.cbslocal.com/2014/03/14/wagner-weighs-in-on-bridgeton-landfill-fire/>

**St. Louis Post-Dispatch - Nearby workers, businesses worry about West Lake landfill - 3/15/14** - Some employees at Hussmann refrigeration in Bridgeton have worked next door to a toxic landfill for nearly 40 years. Now they want to know if their nosebleeds, headaches, respiratory issues and even cancers are linked to the radioactive waste dumped there.
